**INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. § 1.56,

Applicants hereby submit the following information in conformance with 37 C.F.R.

§§ 1.97 and 1.98. Pursuant to 37 C.F.R. § 1.98, a copy of each of the documents cited is enclosed.

**U.S. PATENTS**

1. Shigemori et al., U.S. Patent No. 6,541,226, issued April 1, 2003.

The document listed above — the '226 patent — issued from Application Serial No. 09/549,949. The '949 application was previously cited to the Examiner in the Information Disclosure Statement filed on September 9, 2002. However, since the '949 application has now issued into the '266 patent, and to ensure that this patent will be listed on the front of any patent which may be issued from the instant application, Applicants respectfully submit

the '226 patent via this Information Disclosure Statement. The '226 patent is being submitted after a first Office Action on the merits but prior to the closing of prosecution. Applicants submit that in this circumstance a certified statement under 37 C.F.R. § 1.97(e) should not be required for this submission.

Nonetheless, pursuant to 37 C.F.R. § 1.97(e), I, the undersigned, hereby state that no item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application and, to my knowledge after making reasonable inquiry, was known to any individual designated in 37 C.F.R. § 1.56(c) more than three (3) months prior to the filing of this Information Disclosure Statement.

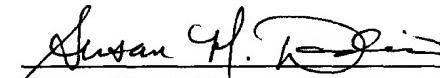

To assist the Examiner, the document is listed on the attached form PTO-1449. It is respectfully requested that an Examiner-initialed copy of this form be returned to the undersigned.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.

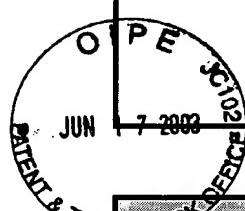

Date: June 17, 2003
